

Joey Emgy - Lloret de Mar

Vers 1:

Sunshine and joy were in my face,
I felt summer holiday filled with grace,
I was so happy that I could experience,
My finest holiday with all my best friends.

We laid out the whole time
In the sun of the Costa Brava,
I enjoyed that wonderful and holy time,
I found you at the beach in Lloret de Mar.

Chorus:

Lola Lolalola, Lolalola, Llotet de Mar
I sing your name Lolalola, Lolalola, Llotet de Mar.
In Lloret de Mar I have met you,
you're nice and with brain,
and I am glad, that we were there
at the same time, I'm calling you name:

Lola Lolalola, Lolalola, Llotet de Mar
I sing your name Lolalola, Lolalola, Llotet de Mar.

Vers 2:

We saw the sunset
Every night was no time for bed
We went to the party street,
We were dacin', rockin' the beat.

After a time full of joy and fun
The greatest time in the sun
It's over and out though I wanna stay
Forever with you, day after day.

Chorus
